**GOVERNMENT OF SIKKIM  
HUMAN RESOURCE DEVELOPMENT DEPARTMENT  
GANGTOK**

**No:1022./Dir/HRDD/SE**

**Dated:02/02/2010.**

**NOTIFICATION**

The Governor of Sikkim hereby notifies the Manpower Management Guidelines with the aim and objectives to strengthen the efforts of the State Government to fulfill the vision of achieving Quality Education with greater emphasis on Right of Children to Free and Compulsory Education Act, 2009, for strict implementation by Government Schools.

The guidelines, being notified, are based on the enrolment of the students and number of teaching units in each school as appended at Annexure –I, including the Schedule, which depicts the sanctioned strength of teachers of each district-wise school from Lower Primary School to Senior Secondary School.

It is hereby further notified that all appointment and transfers of teachers under the Human Resource Development Department shall, henceforth be made as per the notified sanctioned strength of teachers, only.

**By order and in the name of the Governor.**

**Secretary  
Human Resource Development Department**

## **ANNEXURE – I**

### **MANPOWER MANAGEMENT GUIDELINES FOR DETERMINATION OF TEACHER STRENGTH IN SCHOOLS**

Authorized teacher strength of Primary and Graduate Teachers in a school shall be determined based on guidelines given below. These guidelines are only indicative in nature and actual strength of Primary and Graduate Teachers has been determined as enclosed at Schedule of this Annexure. These guidelines deal with Teacher strength of Primary Teachers and Graduate Teachers only and does not include the Language Teacher strength to be notified separately in due course of time.

A teaching unit should normally consist of 10 (ten) to 40 (forty) students. However, a class/teaching unit shall be divided into two only if enrolment in the section exceeds 50 (Fifty) students. Increase in number of sections shall be done with the prior approval of the Head of the department.

Headmasters of Lower Primary Schools, Primary School and Junior High Schools are considered as teaching faculty and they are obligatorily required to take classes in addition to their administrative responsibilities to be abreast with latest teaching skills.

Headmasters of Secondary School and Principals of Senior Secondary Schools, though classified as non teaching employees should also in the best interest of better administration and for achieving over all qualitative improvement are to take at least one class a day. Teacher strength as given in **Schedule** against each school shall be strictly adhered to and under no circumstances the nominal roll would be permissible to have more than prescribed. It shall be the bounden duty of the Head of the school and Drawing and Disbursing Officer to ensure that the salary of non existent or excess teacher over and above the prescribed, are not issued and in the event of failure to do so would be realized from his/her monthly salary.

#### **Lowe Primary School-**

A school shall be classified as Lower Primary school if it is running from Class – I to class – III. Each such school should normally have total enrolment of at least 20 (twenty) students. In case the enrolment falls below 20 (twenty), the Joint Directors of Human Resource Development Department of concerned District shall make an effort to shift the remaining students to a nearby school with hostel facilities with the prior approval of the Head of the Department and such school shall be temporarily closed. In case it is not possible to find a suitable school in nearby locations in remote and inaccessible areas, the school may be located in remote and inaccessible areas, the school may be allowed to run with a maximum of 2 (two) Primary Teachers only. In such cases no Headmaster and Language Teacher shall be provided.

If total enrolment in a Lower Primary school exceeds 60, the Joint directors of the concerned District may submit the proposal for up-gradation of such school into a Primary school to the Government.

A Lower Primary school shall have authorized Teaching strength of 01 (one) Head Master and 02 (two) Primary Teachers if the enrolment is more than 20 (twenty) students.

#### **Primary School-**

A school shall be classified as Primary school which runs Classes from I to V.

Every Primary school should normally have an enrolment of at least 50 (fifty) students. In extra ordinary circumstances and with prior approval of the department, a Primary school may be run in

remote and inaccessible locations with an enrolment of 30(thirty) to 50 (fifty) students but in such cases the teaching strength shall be determined as given in the Table –I.

In the Primary School having an enrolment of less than 30 (thirty) students, the status would stand downgraded to Lower Primary School and students studying in Class IV and V would be shifted to a nearby Primary School by the concerned Joint Directors of the district.

A Primary school having a total enrolment of more than 175 students may be considered for up gradation to Junior High School with the prior approval of the Government.

The authorized teaching strength of a Primary school shall be governed by the table given below. These are only indicative para meters and actual strength is given in the Schedule –I.

**Table – I**

Total Students Enrolment	Sanctioned Primary Headmaster	Sanctioned Primary Teachers	Remarks
Less than 20	0	2	Should be downgraded to LPS
20 – 30	1	2	Should be downgraded to LPS
30 – 50	1	3	
50 – 100	1	4	
100 and above as per the teaching units	1	5 or more	May vary depending upon the total enrolment as indicated in Schedule – I

#### **Junior High School –**

A school shall be classified as Junior High school if it is running from class – I to Class – VIII. A Junior High School should normally have student enrolment of at least 80 students. A school having enrolment lower than 80 would stand downgraded to Primary school with the prior approval of the Government.

In case of extremely remote and inaccessible locations, the Government may like to run a Junior High School with less than 80 students. However, in such cases the total teacher strength shall be as given in Table – II.

If students' enrolment in a Junior High school exceeds 300, it may be considered for up-gradation to Secondary School with the prior approval of the Government.

The teaching strength of a Junior High School will be determined by the indicators given in Table – II However, exact strength of each school is determined in Schedule – I.
